As Planner/Mapper/Organiser of this event, I have to say what a pleasure it has been doing the planning and getting the event itself going. The weather 'turned out nice again' (for George Formby fans) and made for a really pleasant evening. We have to thank Taverham Hall School for allowing us to make such free use of their campus but I do feel a bit sorry for the bluebells! To me, the standout result has to be that of Ellie Gilbert, doing so well against her experienced seniors.
