Notes:	<p>The path network in Cringleford Wood and the woods next to Colney Lane does not correspond exactly with the map. I have attempted to place controls in places where this should not matter, although care will be needed navigating between controls. The paths near #7 (Earlham Park) are pretty much invisible. The black crosses just north of the control represent a bench and waste bin.</p> <p>STOP PRESS: There is no access to #2 from the south – the paths have been blocked by fences.</p>
